

A rustic wedding cake and cupcake display. The wedding cake is a three-tiered cake with white frosting and a gold topper that reads "Mrs Mrs COOPER". It is surrounded by a large floral arrangement of white hydrangeas and greenery. The cake sits on a white stand. In front of the cake, a large wooden log serves as a tray for various cupcakes. To the left, a white wire stand holds more cupcakes. The background is a wooden wall, and the entire setup is flanked by two large wooden barrels.

FAQ

How soon should I order for my wedding?

Anytime between 6-12 months is ideal. Weddings are a big occasion so we avoid taking additional orders on the weekends where we have larger orders.

Can I pick up my cake instead of having it delivered?

Of course picking up your order is always an option, however, with larger cake we ALWAYS recommend allowing us to deliver and set up to avoid any mishaps on your big day. Once the cake is out of our hands, we cannot fix it if it gets ruined.

Who places florals on the cake? You or the florist?

If possible, we prefer to place flowers on the cake. We don't typically recommend using fresh flowers and always lean towards fake ones instead to avoid any contamination of your cake.

What time will you deliver my order?

We always arrive a few hours prior to the ceremony time to start set up. In outdoor settings, especially in the heat, we don't want your cake sitting out longer than necessary. If refrigeration is available and an earlier delivery time is needed, then we can accommodate that. If you have a wedding coordinator we will ask that you provide their phone # in case we have any questions day of.

Can you accommodate dietary restrictions?

Unfortunately, no. We do have gluten free options available. However, we bake in a kitchen with equipment where common allergens are used and cannot guarantee there won't be cross contamination. For special dietary needs, It's left up to your discretion.

Do you do cake tastings?

Yes, we do! Tastings are set up on a specific day each month for convenience. Each tasting is \$30, it comes with all of our basic cake flavors, 3 frostings and 3 of our most popular fillings. We do not allow substitutions for the tasting boxes.
